*He's a ball of insecurities just out of a Young Offenders Institute. She's an ambitious young Russian ballerina with a failing UK Dance company. Their lives are poles apart. But when destiny flings them together, the kicks are high and hard.*

*This passion fuelled fable of fighting prejudice and following your heart and talent, brings a vigorous young cast of multi-talented newcomers to the screen.*

**BALL  DANCER** is a movie full of grit, edge and energy fired by sensational dance sequences and dynamic music.
